

Prerequisites for Dual Enrollment Courses August 2025

Some Roberts courses have prerequisites - courses which must be successfully completed before registering for the course in question. A list of these courses is provided below. Students and high schools are responsible to ensure students only register for courses for which they have met all prerequisites.

Roberts Wesleyan University Course Code and Title	Prerequisite
BIOL 1110 - General Biology I	High School Biology
BIOL 1120 - General Biology II	Roberts BIOL 1110 (grade of C or higher)
CHEM 1110 - Principles of Chemistry I	High School Chemistry & Algebra 2/ Trigonometry
CHEM 1120 - Principles of Chemistry II	Roberts CHEM 1110 (grade of C or higher)
MATH 2281 - Calculus I	High School Algebra or Trigonometry
MATH 2282 - Calculus II	Roberts MATH 2281 (grade of C or higher)
PHYS 1001 -General Physics I *	High School Algebra and Trigonometry
SPAN 1020 – Elementary Spanish II	Roberts SPAN 1010 (grade of C or higher)

* This course will likely not meet Physics I requirements for college majors in disciplines requiring calculus-based physics (e.g. Physics, Engineering, Chemistry). If this is your situation, please check with your college of choice before registering for this course.
